Dear Industry Partner,

At Alberta Enterprise Group, your voice is essential. As an Industry Partner, you are part of a select group of leaders helping to shape the direction of Alberta's business landscape through policy advocacy, meaningful connections, and global opportunities.

Your support enables AEG to deliver on the three priorities our members value most:

1. advocacy and policy influence
2. networking and engagement opportunities
3. trade missions and international business development.

Importantly, our advocacy work on behalf of Alberta businesses is entirely funded through membership. Your partnership plays a critical role in making this work possible, and we sincerely thank you for your ongoing support.

As an Industry Partner, you receive premium recognition and access across all AEG platforms and events. This includes prominent logo placement, a complimentary table at each event, and Platinum Sponsorship status at every gathering. You are invited to exclusive meetings with government officials prior to member-only sessions and have opportunities to contribute editorial content to AEG's Business in Edmonton column and prominently feature in our Annual Report.

You are guaranteed a seat and speaking opportunity on AEG trade missions and can shape their direction to suit your business goals. AEG's team also offers concierge-level introductions within our network, personalized business development strategy sessions, and public recognition through our annual award for outstanding contribution.

Looking ahead, we are expanding our forums with Ministers and Chiefs of Staff and will continue to prioritize private meetings for Industry Partners, including dedicated time with the Premier of Alberta. Your input helps to set the agenda for these engagements and ensures that our initiatives are grounded in the needs and aspirations of business leaders like you.

Thank you again for your partnership. We are proud to stand beside you in building a stronger, more prosperous Alberta.

Yours for Alberta,

Catherine Brownlee, President
