Build a Prosperous
Future for Alberta
with Alberta
Enterprise Group

Alberta Enterprise Group (AEG) members are a community of business leaders who believe in driving change and building a brighter, more prosperous future for all Albertans. Together, we provide a strong voice on important issues facing business and community today.

By sharing information, advocating for Alberta business, and building bridges to new markets, AEG supports a business-friendly environment for every industry. Create in Alberta, invest in Alberta, build in Alberta — AEG is here to support those who work together to create prosperity in our province.

TRADE MISSIONS

STANDARD MEMBERSHIP

AEG's Standard Membership provides strong value for businesses of all sizes and sectors. Members gain access to events, trade missions, and exclusive sessions with the Premier of Alberta and government ministers. Promote your business through sponsorships, marketing opportunities, and member features.

Additional benefits include access to the AEG Group Health Benefit Plan, and participation in our Executive Development Programs.

Most importantly, your membership directly funds AEG's advocacy efforts, allowing you to invest in your own growth while supporting a stronger voice for Alberta's business community.

\$4,000 / year

INDUSTRY PARTNER MEMBERSHIP

AEG's Industry Partner Membership offers all the benefits of our Standard Membership along with direct, high-level access to our Government Relations team at no additional cost. Partners are invited to quarterly Advocacy Roundtables with Ministers, Deputy Ministers, and the Premier, and can request private strategy sessions with our Government Relations Lead. This membership is designed for senior leaders and larger organizations that want to strengthen their connection to policymakers, shape key discussions, and contribute to the direction of Alberta's business policy landscape. It is a valuable platform for those who want to influence change while expanding their visibility and impact.

\$25,000 / year
